- 
- 1) For the protection of all our boarding guests, your pet must be current on vaccinations: Distemper- Parvo, Rabies, and Bordetella with a current heartworm test and fecal exam for dogs. Distemper and Rabies vaccinations required for cats. A licensed Veterinarian MUST have given these vaccines. Without proof of current vaccines, Prairie Ridge Animal Hospital will perform an exam and administer the required vaccines and the appropriate fees will be charged. All animals admitted must be free of all external parasites. ANY ANIMALS FOUND TO HAVE TICKS, FLEAS, AND MITES WILL BE TREATED AT OWNER'S EXPENSE. I will not hold Prairie Ridge Animal Hospital responsible or liable for any accident or injury that occurs while boarding. I understand that my pets and I may be videotaped, photographed, or recorded. Prairie Ridge Animal Hospital will retain exclusive rights to images.

PERMISSION TO TREAT-

I am the owner (or agent of the owner) of the pet listed above. I understand that Prairie Ridge will use reasonable precautions to assure my pets safety while in their care. I authorize the doctors and staff to provide any treatment deemed necessary, and will assume responsibility for any treatment expenses involved.
