

Prairie Ridge Animal Hospital

Rules and Regulations

All dogs must be current on Rabies, Distemper/Parvo, Leptospirosis, and Bordetella vaccine.

A current intestinal parasite screen (every 6 months) and heartworm test (every year) is also required.

Flea and tick prevention is highly recommended.

Any dog without a paid membership and/or signed waiver is NOT allowed in the puppy playground.

Hours of the playground are everyday sunrise to sunset.

No human and/or dog food is allowed, drinks are ok.

All children must be at least 8 years old and accompanied by an adult.

Please scoop your pets poop! We have provided a waste station at the entrance of the playground.

If there are other dogs in the playground please use caution when introducing your pet. We have a designated fenced in area at the entrance where you can safely introduce your dog.

Unneutered males over 6 months of age are NOT allowed in the playground area.

Females that are in season or "in heat" are also not allowed in the playground area.

Dogs that show any kind of aggression towards other dogs or humans will be banned from the puppy playground.

We have provided you and your pet with some toys in a basket at the entrance. If you use them please put them back when you're finished.

There is a limit of two dogs per adult, if you bring more than two dogs you will be required to bring enough people to accommodate them all.
